

LIT BY GRID

Challenge: Your task is to perform a story you create from a random set of characteristics, situations, imaginary props, and settings.

Scene: The editors of a new literature series for young people needs help coming up with short stories. Your team has been selected to help create a new and unique story to be included in this publication.

Time: Part 1 you will 2 minutes to use your IMAGINATION to create a list of 6 characters, 6 props, 6 setting and 6 situations. In Part 2 you will have 3 minutes to create a story to perform for the appraisers using the characteristics randomly selected from each column by the roll of a die. In Part 3 you will have 2 minutes to perform your story.

Set-Up: On the table is a grid to be completed in Part 1. There is also a blank sheet of paper and 2 pencils you many use in Part 2.

Procedure:

Part One (2 minutes) On the grid create a list of 6 characters, 6 props, 6 settings (places) and 6 situations. (For this challenge a situation is a critical, trying or unusual state of affairs such as getting gum stuck to the bottom of your shoe on a hot day.)

Following part one the team will roll a die to select which item from of each category must be included in the story.

Part Two: (2 minutes) The team will create a story using the 4 randomly selected elements from the grid in part 1. You may use the blank paper and pencils to help create your story.

Part Three (2 minutes) Your team will perform its story for the appraisers using imaginary props and scenery.

Materials:

1 Characteristic Grid 1 blank sheet of paper 2 pencils
none of these items may be used in the performance.

Scoring:

You will receive up to:

A. 5 points each (20 points maximum) for the creativity of the randomly selected items on your grid.

B: 30 points for the creativity of your story.

C: 30 points for the creativity of your performance.

D: 20 points for how well your team works together.
